Certification body (as printed on an issued certificate)

Certification Body
Address of the issuer: not specified in the example data

Model(s):

Battery energy storage system, 10 kWh

Parameters:

Model and configuration	Battery energy storage system, 10 kWh
Rated energy	to be stated in the issued certificate
Rated power	to be stated in the issued certificate
Rated voltage	to be stated in the issued certificate
Enclosure	to be stated in the issued certificate
Ambient temperature range	to be stated in the issued certificate
Protective class	to be stated in the issued certificate
Ingress protection	to be stated in the issued certificate
Site conditions	to be stated in the issued certificate

Scope of the certificate:

Safety of grid-integrated electrochemical storage systems.

Tested according to:

- 1. IEC 62933-5-2:2025

Conditions:

- The certificate applies to the product configuration named above and to no other.
- Changes to the product, its software or its firmware require a new assessment.
- The certificate holder must not transfer the certificate to third parties.
- Note in the record: Specimen of the form. No number, not issued, neutral specimen seal only. Fictional manufacturer (F0).
